While facing his 55th back surgery in April 2012, Ken had to be off all pain medications. He was in a lot of pain. Walking from his living room to his mail box was a major task. He tried our Ormus Mineral Pure Magnesium Oil and experienced relief from his pain that very night. Next day he was having a migraine headache so he applied it to the back of his neck and the pain left in 15 minutes. Ken and his wife had a trip planned to the Holy Land a couple weeks before his surgery. He did not want to be left on the bus. Ken was able to walk from 4 – 7 miles a day. Ken
